Tailor-made pleasure

Every inch and every last detail of the Galeon 440 are hand-crafted. The 440 yacht is a perfect example of how our designers combine safety and quality with spaciousness and functionality. Thanks to our motor yachts designed and built for uncompromising performance, Galeon has become a highly-reputed trademark and a market leader who has become impossible to ignore.

Overview

On the upper deck you have a complete overview from bow to stern. The flybridge area includes a comfortable saloon, wetbar, sunbed and driving control. Why not enjoy breakfast or lunch around the upper deck table?

Interior

A sliding glass door leads inside the cockpit to a curved saloon with an LCD flat-screen television and CD/Radio music system. The dining area invites you to chill out with fine food and beverages. With her hand-crafted details, the interior is built to impress.

From the steering position you have total control and great manoeuvrability. Below deck you experience a surprisingly roomy feeling. Here you find three bedrooms which can accommodate six people.

Comfort below

The Galeon 440 is well-equipped with two separate bathrooms, one inside the owner's suite forward.

The cockpit, the lofty suites and the bathroom are all equipped with warm, balanced lighting.

Preserve your inner calm

Relax, enjoy and make your dreams come true together with your family and friends. The Galeon 440 is built to satisfy your every need and to provide you with the ultimate in luxury.

Seductive lines

Her beautiful lines extend nearly 14 meters. And her three decks invite you to a totally delightful on-board experience.

The stern saloon offers comfortable seating for relaxing conversations in stylish surroundings. Or maybe you'd like to take a dip in the warm sea from the big bathing platform?

Experience the swirling and foaming sea

..... Galeon's overall goal is your safety and comfort at sea. This is achieved by combining robust materials with expert workmanship, by merging modern design and a genuine passion for boat building. The efficient hull design makes for excellent handling performance which is both firm and smooth in any sailing conditions.

..... Owning a yacht like the Galeon 440 gives you the perfect blend of relaxation, luxurious living and pure fun.

Galeon have been turning ambitious dreams into floating realities since 1982. Our experience and reputation as a full-range builder have resulted in the construction of several popular motorboats and luxury motor yachts up to 16 meters. The demand is increasing. Today the company benefits from over 20 years of experience and knowhow of building boats. Every Galeon is constructed, designed and custom-made with safety, quality and durability in mind. The handpicked materials and construction methods enable us to guarantee a product that makes your dreams come true.
